

Give Kids A Smile

February 1st, 2019

ADA Foundation®

Give Kids A Smile®

is an annual
volunteer program
that provides free
educational,

preventive and
restorative services

to at-risk and
underserved children in
our community.

Each year dentists, hygienists, and volunteer staff members come together to provide FREE comprehensive dental treatment to children in our community.

This event would not be successful without our wonderful sponsors and we hope you will be included in the 10th annual Give Kids A Smile in Northern Nevada.

Last year we were able to provide close to \$65,000 worth of dental treatment to 105 children.

We would like to grow our event this year and your contribution is greatly appreciated!

This year we have teamed up with the Northern Nevada Dental Health Programs and contributions can be sent directly to their organization:
